Letter From the President

Hello everyone,

Let me start by thanking all of you for having me as your new President. I will do my best!

Congratulations to all the new officers and to everyone who kept their positions. We had a great turnout for the 1st meeting of the year (despite some hecklers) and we sold quite a few tickets to our annual Holiday Party on Sat. Jan. 26th. You can still purchase tickets right up to the night of the party. Price is \$25 and includes live band and catered food. Contact Sandy, Robin, or myself to purchase tickets. We also have the F.Y.A.O.D. coming up and the date is scheduled for Sun. March 2nd. @ 9:30am at the Dedham cinemas. It's a little late this year but we had to try to accommodate everyone. Also, dive plan meeting is coming up and will be held at South Shore Divers on Sat. Feb. 23rd @ 6pm.

If you can believe it, there are still some people diving! Our new Vice President Keith Kirby was talking of going on Tues. Jan. 8th in a wetsuit! So if you're interested, send out some E-Mails, I'm sure you'll find somebody (not me though, I'm a wimp)!

Be sure to come to the Feb. meeting and purchase tickets for the F.Y.A.O.D. Before you know it the water will be warming up and the official dive season will be underway! And of course if anyone would like to show a video of a recent dive trip or has someone that would like to speak about a dive related topic, bring it up at the next meeting.

SAFE DIVING!

~RICK~

**KEEP YOUR DIVING GOING OVER
THE WINTER**

Think you need to stop thinking about diving now that
the winter is here? Not so; think about ways to
enhance your diving and maybe help your buddy:

- Learn about Nitrox (Enriched Air)
- Dry suit (extend your season)
- Equipment Specialist
- EFR
- O2 Provider

These are just a few of the things to keep you active
until the Spring is here and we can get out diving
again.

Do You Know Your Buddy? Does your buddy hate you if: -

- a. He gives you the "wait here" sign
and you are still on the boat?
- b. He "forgets" to close your dry suit
zipper?
- c. When you give him the out of air
signal, he passes you his snorkel?
- d. When you indicate you are low on
air, he writes on his slate "I'll get
you some" and swims off?
- e. You give him the "OK" signal and he
gives you the finger?
- f. He spits in your mask for you, but
you haven't taken it off yet?
