Letter From the President

Greetings from Florida!

Due to the rescheduling of our last meeting I was unable to attend but I heard everything went very well. I want to thank Dive Rite for speaking and am sorry I missed it as I remember how much I enjoyed his presentation from last year.

Our F.Y.A.O.D. was a success as always and this was the first year I attended. I thought you were kidding telling me it was fun but even though I wimped out on the diving, I had a blast! Good times. We also had 2 brave souls that not only went diving in wet suits but also thought it was a good idea to jump in their bathing suits after their dive!

It's starting to get warmer out and April is the 1st month of our official dive season so get your gear checked out and serviced. The race to see who will win Diver of the Year is always interesting.

I'm looking forward to seeing everyone at the next meeting and I can't wait to get back in the water after a long winter!

~RICK~

Dive Site of the Month Loblolly Cove

Loblolly Cove is an area popular with dive classes due to its shallow depths and abundance of shallow water creatures.

Loblolly Cove (looking east), northeasterly exposure, is an easy rocky entry. There is also a sand boat ramp (near the dirt parking lot), which can be used for an easy entry. Gradual sloping bottom, the cove itself is fairly shallow (20 feet). Near the point is a very pretty dive site with a depth of 25-35+ feet. Resident parking only, you can unload and park at Pebble Beach or one of the side streets.

If you need to take a breather on your dive, just swim up to the small island in the middle of the cove and enjoy the scenery!

Now is the Time to Renew your 2008 Membership!!!!!!

Memberships may be renewed at the monthly meetings, or by contacting Robin Scott – Membership Coordinator.
